

# SAVI® – System for Analyzing Verbal Interaction

## Two SAVI workshops

Led by Rowena Davis & Annika Hall

*Want to deepen your SAVI skills and build SAVI muscle?*

Join us for two workshops:

*Patterns Not People*

*Applying SAVI to Real Life*

**Location:** Zoom

**Numbers are limited so apply soon!**

### ***PATTERNS NOT PEOPLE***

**31 January & 1 February 2023**

**09.00 – 16.45 UK time**

**Zoom**

Take the next step in your SAVI training & build muscle producing & coding *patterns* to ‘get’ their impact on our ability to communicate.

In this two-day Workshop, open to those who’ve done the SAVI Introductory workshop, we will:

- Practise **seeing the communication patterns**, not the people
- Explore through the SAVI lens **the impact of different verbal patterns**
- Discover ways to **reduce ‘noise’** so more information gets heard & **problems are solved more easily**
- Build an **exploratory, collaborative** learning climate & have **fun**

#### **Fees**

**Self-Employed / Voluntary / Public Sectors:** up to 1 December 2022, £400; after 1 December 2022, £435

**Others:** up to 1 December 2022, £495; after 1 December 2022, £530. **10% discount if you attend both workshops.**

### ***APPLYING SAVI TO REAL LIFE***

**2 February 2023 09.00 – 16.45 UK time**

**3 February 2023 09.00 – 13.00 UK time**

**Zoom**

Work with others to develop your skills in bringing SAVI into work and life.

Open to those who have done the two-day Introductory SAVI Workshop.

This 1.5-day practicum will work with conversations participants bring to integrate SAVI understanding and skills into real-life contexts.

We will use SAVI to see and understand *how* we say things influences our ability to have productive and satisfying conversations.

We will practise coding conversations and changing verbal behaviours to shift dissatisfying patterns.
